

ADDITIONAL STIPULATIONS FOR PERMITTED EVENTS  
WITHIN  
RED ROCK CANYON NATIONAL CONSERVATION AREA

1. A copy of the video will be submitted to the Authorized Officer of the BLM.
2. Provision for credit will be listed on subject as:  
  
USDI, Bureau of Land Management  
Las Vegas Field Office, Nevada  
Red Rock Canyon National Conservation Area
3. Issuance of this Land Use Permit does not grant the permittee or his/her agent exclusive or sole use of any area of the Red Rock Canyon National Conservation Area.
4. This permit does not give permission to camp on public lands outside of established camp grounds.
5. Permitted activities may be restricted on weekends or holidays in order to avoid conflicts with other recreational activities or use by the general public.
6. This permit does not give permission to cross over or use any private land. The permittee will be fully responsible for all trespass on and/or damages to private land which result from the permittee's activity.
7. Permittee will provide the BLM written permission from all property owners whose land or property will be impacted or crossed as a result of the proposed event.
8. Permittee will contact and receive concurrence and license, where required from all state, county, and local governmental agencies having jurisdiction, concern or interest in this activity.
9. Under the terms of this Land Use Permit the following actions are prohibited unless specifically authorized: use of: pyrotechnics; helicopters; aircraft; catering operations; or the establishment of permanent facilities for the solicitation of business for profit within the boundary of Red Rock Canyon NCA.
10. Disclosure of all aspects of the proposed activity will be completely described in the application. Any changes to the proposed activity must be approved in advanced by the authorizing officer.
11. Permittee will indicate by name a person of authority, along with a current address and phone number, who will coordinate the on-site activity with the BLM.

12. Permittee will do everything reasonable, both independently and/or upon request of the Authorized Officer to prevent and suppress fires caused by their activity on or near lands utilized. Compensation may be required of the permittee for Federal, State, or private interests in suppression and rehabilitation expenses.
13. The Scenic Loop Drive is a one way road, wrong way travel is prohibited unless approved or directed by an authorized officer of the Bureau of Land Management.
14. The number of vehicles permitted at any one location may not exceed 50% of the holding capacity of the use site as determined by the Bureau of Land Management.
15. All vehicles and support equipment will be limited to existing approved roads accessing use sites. Motorized cross country travel is not authorized.
16. Permittee will ensure that no surface disturbance will result as a result of any activity authorized by a permit.
17. Permittee shall not damage, collect, or introduce plants or animals at any location within Red Rock Canyon NCA without permission from the Authorizing Officer.
18. The painting of rocks or the establishment of permanent markers or improvements is prohibited.
19. Permittee shall ensure that all litter, garbage, props, or other evidence of the authorized activity is disposed of in compliance with local regulations.
20. Permittee shall provide a briefing based on material provided by the Bureau of Land Management concerning the current status of the Desert Tortoise to all persons involved in the permitted action, and obtain the signatures of each person. Should a Desert Tortoise or Gila Monster enter the area of activity the permittee will immediately stop all activity until such time as the animal has left the area of its own accord. In addition, the permittee, participants, and spectators are not authorized to take, harm or harass any Desert Tortoise or Gila Monster found on Public Lands.
21. Red Rock Canyon NCA encompasses the Red Rock unit of the Spring Mountain Free-Roaming Horse and Burro Management Area. Harassment of these protected animals is not permissible.
22. Permittee shall review the brochure describing cultural and paleontological resources, **Archaeology of Southern Nevada**, and designate a person of authority to review the brochure and inform participants prior to the proposed event of the following: "It is illegal to collect or disturb archaeological materials on public lands without a permit issued from the BLM. These permits are only granted to qualified archaeologists associated with institutions or contracting firms. No fossils may be collected within the boundaries of Red Rock Canyon National Conservation Area. Violators will be subject

boundaries of Red Rock Canyon National Conservation Area. Violators will be subject to criminal penalties."

23. Permittee shall place signs and other warning devices as deemed necessary by the authorizing officer to warn the public of the action taking place.
24. Permittee will be responsible for the supervision of all participants, spectators, and other persons associated with the activity, and will be responsible for public safety on-site.
25. Permittee will be responsible for ensuring adequate sanitation facilities for participants as determined by the Authorizing Officer are provided.
26. Permittee will complete and return a post compliance report as directed by the Authorizing Officer.
27. Failure to comply with the stipulations of this permit will result in the cancellation of permit and possible legal action.
28. The placement of anchor bolts or other similar temporary or permanent devices is not permitted.

By signing below, applicant agrees to the above listed stipulations as conditions of the attached Use Permit.
